

Mid- August Update

The Colorado River is still running at a FUN level! Flows are the same as they were in mid-July!!

A few key updates:

Beginning August 23rd, the Morning Shoshone raft trip will depart at 9:00am. The afternoon Shoshone raft trip will remain at 12:30pm. We will continue to run the Triple Shoshone, Ducky, and SUP trips as well.

The last day to run the Arkansas River is August 15th! We will watch the river gauge to see if trips are possible after Thursday, but due to dam release projections this is unlikely.

We will be running trips during the Pro Cycling Challenge on August 19th. But, times will change to avoid road closures. All raft trips will leave at 11:00am and all hike and jeep trips will depart Snowmass at 7:15am and Aspen at 7:45am. The Sunset Dinner should not be affected by the bike race.

Sunset Dinners have been filling up fast! Evenings are cooling off quickly; remember to inform guests to bring a layer or two! We have a new addition to our Sunset Dinner setup (See photo)! Local “cows” to practice rope skills!

Similar to previous years, office hours are changing on August 16th. We will be available for reservations 7:45am to 6pm.

Please let us know if you have any additional questions! 970-923-4544
